Paumanok Publications, Inc. announces the release of its 2007 report on the global supply chain for dielectric films to the capacitor industry with forecasts to 2014. The study focuses on all known film dielectrics consumed in capacitors, with emphasis upon OPP, PET, PPS and PEN films.

Title: Plastic Dielectric Films For The Capacitor Industry: 2007-2014 Market Outlook
Pages: 200
Price: $3,500.00 USD
Publisher: Paumanok Publications, Inc.
Release Date: October 2007

Table of Contents:

1.0 Introduction and Scope of Coverage:
1.1 Film Dielectric Materials for The Capacitor Industry:
   Polypropylene:
   Polyethylene Terephthalate:
   Polyphenylene Sulfide:
   Polyethylene Naphthalate:
   Polycarbonate:
   Polystyrene:
   Polytetrafluoroethylene:
   Polyimide:
   Siloxane:
   Polyvinylidene Difluoride:
   Polysulfone:
   Aromatic Polyester:
   Other Plastics for Capacitors:

1.2 Dielectric Film Comparison:
   Dielectric Constant:
   Dissipation Factor:
   Resistivity (ESR):
   Moisture Absorption:
   Maximum Use Temperature:
   Available Thickness:
   Melting Point:
   Capacitance Range:
   Voltage Rating:
Price Per Pound:
Resin Melting and Extrusion:

1.3 Production Process
OPP Pre-Film Production:
Film Manipulation (ABC, Tenter, Wishbone):
Film Orientation:
Slitting of Rolls:
PET Formation:
Terephthalic Acid and Ethylene Glycol:
Di-m ethyl-terephthalate and Ethylene Glycol:
Drying:
Extrusion:
Bi-axial Orientation (Beyond the Glass Transition Temperature):
Converting and Slitting:

1.4 Capacitor Film Metallization:
Aluminum Metallization:
Zinc Metallization:
Standard Types of Film Metallizing:
   Single-Side Margin (Right/Left):
   Single-Side Margin (Right):
   Double Internal Series:
Metallization Methods For Enhancing Capacitor Performance:
   Multilayered Metallization:
   Reinforced Edging:
   Mixing and Matching Metals:
   Segmented Metallization (Fused Capacitors):
   Metallization Layer and Affect on Market Volume Estimates:

2.0 Global Dielectric Film Markets: 2007-2014
Dielectric Films Consumed In The Capacitor Industry: 2007 FY (Ending March 31):
   Polypropylene Film Consumption in The Capacitor Industry: 1
   Polyethylene Teraphthalate (PET) Consumption in The Capacitor Industry:
   Polyphenylene Sulfide (PPS) Consumption in The Capacitor Industry:
   Polyethylene Naphthalate (PEN):
   Defense, High Heat, High Energy Density and Other Exotic Film Markets:
Average Film Thicknesses By Dielectric:
Price Per Pound Comparison:
Supply Chain Analysis: Film Extrusion, Metallization, Consumption and Market Drivers: 2007
   Capacitor Film Extrusion: Competitive Environment
   Capacitor Film Metallization: Competitive Environment:
   Capacitor Manufacturers: Competitive Environment:
   End-Use Market Segments Driving Demand for Capacitor Film:
Dielectric Film Consumption By Capacitor Form Factor:
   Polypropylene Capacitors:
   Polyethylene Teraphthalate:
   PEN and PPS Capacitor Form Factors:
2.1 Market Forecasts: 2007-2014:

- Global Consumption Volume For Dielectric Films By Type: 2007-2014
- Global Consumption Value for Dielectric Films By Type: 2007-2014
- Average Price Per Pound Forecasts For Dielectric Films By Type: 2007-2014
- Global Consumption Value and Volume For Dielectric Film By Capacitor Type: 2007-2014

3.0 Appendix: Global Market Analysis:: Polypropylene Film

Introduction:

Polypropylene Consumption Value, Volume and Pricing In The Capacitor Industry: 2007 (3/07 March):

Growth In The Market:

- Extruded OPP Film Market Size (For Capacitors)
- Polypropylene Extrusion Into Film:
- Polypropylene Metallization and Back-End Production:

Appendix 1 (A):Polypropylene Dielectric Film Product Lines:

- TORAY Industries Product Offering: Polypropylene Dielectric Film: 2007
  - TorayFan (BOPP):
  - Toray YK57 and 2972 BOPP Film:
  - Toray High Heat 2172 BOPP Film:
- BOLLORE Product Offering: Polypropylene Dielectric Film: 2007
  - Bolloré Plain Hazy Film (PPD):
  - Bolloré Metallized OPP Film:
- TREOFAN: Product Offering: Polypropylene Dielectric Film: 2007
  - Treofan/Trespaphan V47 PED:
  - Treofan/Trespaphan PHD:
- SteinerFilm GmbH Product Offering: Polypropylene Dielectric Film: 2007
  - Steinerfilm® P based on a Polypropylene film
- Tervakoski Product Offering: Polypropylene Dielectric Film: 2007
  - Tervakoski Film RER (Polypropylene):
  - Tervakoski Film RERS (Specialty) (Polypropylene):
  - Tervakoski Film ER (Polypropylene):
  - Tervakoski Film E (Polypropylene):
  - Tervakoski Film PSX (Polypropylene):
  - Tervakoski Film PZC (Polypropylene):
  - Tervakoski Film PBXR (Hazy Film Line) (Polypropylene):
  - Tervakoski Film PAC (Polypropylene):
  - Tervakoski Film PAX (Polypropylene):
  - Tervakoski Film EC (Polypropylene):
  - Tervakoski Film RERC (Polypropylene):
  - Tervakoski Film KX:
  - Tervakoski Film ON:
- KopaFilm Product Offering: Polypropylene Dielectric Film: 2007
  - KopaFilm AFT/AFM (Hazy Film):
  - KopaFilm MIX:
  - KopaFilm MET:

Regional Market Shares In Polypropylene Film To The Capacitor Industry: 2007
Appendix 1 (A): Polypropylene Sales To The Capacitor Industry: 2007

Polypropylene Dielectric Film Sales By Capacitor Type:
- Large AC Cans (Power T&D, Industrial PFC, Power Film, Motor Run and Specialty)
- Wrap and Fill (Interference Suppression and AC/Pulse Capacitors)

Polypropylene Dielectric Film Consumption In Capacitors By Application (Power Factor Correction, Pulse Discharge and Interference Suppression):
- Power Factor Correction Capacitors:
- Pulse Discharge Capacitors:
- Transmission & Distribution Class PFC Capacitors
- Capacitor Customers:
- Global Trends In The Sector:
- Manufacturers of AC OPP Film Capacitors:
- Global Market: 2007

Motor Run Capacitors: 2007
- Applications:
  - Electric Motor Market Drivers:
  - Trending Toward ECM Motors:
  - Compressor Motor Manufacturers:
  - 2007 (Market Pull)
- Global Market Description and Size: 2007

Industrial Power Factor Correction Capacitors: 2007
- Market Drivers For Industrial PFC Capacitor Racks:
- Vendors Of Industrial PFC Capacitors: 2007

Magnetic and HID Lighting Ballast Markets: 2007
- Declining Magnetic Ballast Markets:
- Healthy High Intensity Discharge Lighting Markets:
- Major Vendors of AC Film Capacitors For Magnetic and HID Lighting:
- Global Market Size For AC Film Capacitors For Lighting:

Microwave Oven Capacitor Markets:
- Microwave Oven Manufacturers:
- Snubber, Commutation and AC/Pulse Capacitors (Power Film): 2007
- True Power Film Capacitor Markets:
- Power Film Capacitor Manufacturers:
- Variable Speed Drive Capacitors:
- Wind Turbine Capacitors:
- Traction capacitors: Electric Trains:
- Industrial Conveyor Capacitors:
- Furnace capacitors: Induction Heating
Welding Capacitors: AAT
Pulsed Power Capacitors:
  Laser (Industrial & Medical)
  Defibrillator (external only)
  X-Ray Machines (Pulsed)
  Ultrasonics (Pulse Welders, Cleaners)
  Airport Runway Strobes (Pulse Forming Networks)
  Water Purification
  Pulse Forming Networks (Radar)
  Missile Power Up
  Food Sterilization
  Marx Generators
Power Smoothing Capacitors:
Global Volume Of Shipments For AC Film Capacitors: 1993-2007; 2008 Forecasts
Global Value Of Shipments For AC Film Capacitors: 1998-2007; 2008 Forecasts
Global Consumption Of AC Film Capacitors By Type: 2007:
Global Average Unit Pricing For AC Film Capacitors: 1998-2007; 2008 Forecast
AC Film Capacitors: Average Unit Pricing By Type: 2007
Polypropylene Capacitor Trade Data: Exports By Key Country:
Changes in Price Per Kilogram: 2007 Versus 2003
Competitive Environment In Global OPP Film Capacitor Sales: 2007

Appendix 1 (B): Polypropylene Dielectric Market Forecasts: 2007-2014
Forecasts By OPP Film Capacitor Type: 2007-2014
  HV PFC Capacitors (Power T&D): 2007-2014
  LV PFC Capacitors: 2007-2014
  Power Film Capacitors (Snubber/Commulation/Pulse): 2007-2014
  Motor Run Capacitors: 2007-2014
  Microwave Oven Capacitors: 2007-2014
  Magnetic Ballast Capacitors: 2007-2014
Forecasts For Polypropylene Dielectric Film Consumption by Capacitor Type: 2007-2014
Polypropylene Film Volume of Consumption By Capacitor Type: 2007-2014
Polypropylene Film Value of Consumption By Capacitor Type: 2007-2014
Polypropylene Capacitor Film Price Forecasts: 2007-2014

Appendix 2: Global Market Analysis: Polyethylene Film
Polyethylene Teraphthalate Dielectric Film Markets: 2007-2014
Polyethylene Teraphthalate Dielectric Film Production Process:
  Formation:
    Drying:
  Metallized PET Consumption Volume in Capacitors:
  Market Trend for PET Film:
    Metallized PET Price:
Extruded Film Market Size:
Industry Structure:
Sales and Market Shares: Polyethylene Teraphthalat Film For The Capacitor Industry
Polyester Capacitor Film Extruders: 2007 Sales and Market Shares
Appendix 2 (A): Polyethylene Film Dielectric Product Lines:

Trends in Raw Materials Pricing For PET Film:
P-xylene:
SteinerFilm Product Offering:-PET Dielectric Film: 2007:
Steinerfilm® T based on a Polyester Film:
Toray Product Offering:-PET Dielectric Film: 2007:
Toray Lumirror (PET):
Toray C21 General Purpose Film:
Toray C60 and C10 Ultra-Thin Films:
Toray Q50 Coarse Surface Material:

Polyethylene Film Dielectric Consumption In Metallized PET Film Capacitors:

Overall Market Trends and Directions In The DC Film Capacitor Market Segment: 22007-2014:
Changing End-Use Market Segments:
Encroachment Of Alternative Type Dielectrics:
Raw Material Price Increases:
Metallized DC Film Capacitor Types:
DC Film Capacitor Configurations:

Global DC Film Capacitor Market Summary: 1992-2007
Regional Market Activity in DC Film Capacitors: 2007

The Asian Market:
Major DC Film Capacitor Production Facilities In China
Major DC Film Capacitor Production Facilities In Korea
Major DC Film Capacitor Production Facilities In Taiwan
Major DC Film Capacitor Production Facilities In Japan

The European Market:
Major DC Film Capacitor Production Facilities In Germany
Major DC Film Capacitor Production Facilities In Spain:
Major DC Film Capacitor Production Facilities In Italy
Major DC Film Capacitor Production Facilities In Belgium
Major DC Film Capacitor Production Facilities In France
Major DC Film Capacitor Production Facilities In Finland:

The America Market:
Major DC Film Capacitor Production Facilities In the Americas

DC Film Capacitor Consumption By End-Use Market (PC & CATV Monitors, Lighting Ballasts, Power Supplies, Audio Systems, Other):

General Purpose PET Film Capacitors: 2007 (5mm Markets)
Production Volume, Plant Locations, Product Series, 5 mm PET Revenues

AC & Pulse Film Capacitors
Production Volume, Plant Locations, Product Series, AC & Pulse Revenues and Top Customers By AC & Pulse Capacitor Manufacturer:

Interference Suppression Capacitors
Interference Suppression Capacitors (X/Y):

Forecasts By PET Film Capacitor Type: 2007-2014
5mm Radial Leaded PET (General Purpose Filtering): 2007-2014
AC & Pulse Film Capacitors (Degaussing, Ballast): 2007-2014
Interference Suppression Capacitors (X&Y): 2007-2014
Forecasts For Metallized PET Film Consumption by Capacitor Type: 2007-2014
PET Film Volume of Consumption By Capacitor Type: 2007-2014
PET Film Value of Consumption By Capacitor Type: 2007-2014
PET Capacitor Film Price Forecasts: 2007-2014

Appendix 3.0: PPS and PEN Film Markets: 2007-2014
Introduction:
Market Overview:
SMD Film Chip Capacitors Market Size: 2007
Average Unit Prices For SMD Film Chip Capacitors And Price Forecasts:
SMD MicroChip (μChip Market:
SMD PEN/PPS 1206 Chip Markets:
Strengths and Weaknesses of PEN and PPS Film By Type:
PPS and PEN Film Sales To The Capacitor Industry By Type
Product Focus: Toray Torelina and Du Pont PEN,
Forecasts for 1.4 micron film sales to the Film Chip Capacitor Industry: 2007-2014

Appendix 4.0 Competitive Analysis of Plastic Film Suppliers To The Capacitor Industry
Birkelbach Kondensatortechnik GmbH
Borealis Polymers N.V.,
Groupe Bolloré
CPFilms (Solutia)
Filmet du SRL
Kopafilm Elektrofolien GmbH
MIRWEC Film, Inc.
Steiner GmbH & Co KG
Teijin DuPont Films Japan Limited
Tervakoski Films Group
Toray Advanced Film Company Limited
Treofan Germany GmbH & Co KG
Wenling Capacitor Factory
Shin-etsu Film Company Limited:
SMEC Limited Korea
Additional Film Vendors To The Capacitor Industry: 2007
